

Sunday 18 December 2016: Tidenham Chase

Fourteen walkers set off from Tidenham Chase car park on a very misty morning for an energetic pre-Christmas walk. The group walked along Miss Graces Lane, crossed Beeches Farm, and descended to Offa's Dyke before climbing back up and crossing Coleford Road to stop for a welcome coffee stop at Hewelsfield Church. The group continued along the Gloucestershire Way, through the woods and back via the Devil's Pulpit, where the mist finally cleared long enough for us to have a lovely view over Tintern Abbey. Despite, or perhaps because, of the rather dull day, everybody enjoyed the walk and covered the 8+ miles in around 3.5 hours – a great pre-Christmas workout.
